Send-in form for repair & diagnosis

Please fill in completely and put it in the parcel – handwritten or filled in on a computer and printed.

How it works

1. **Fill in the form** – and put it in the parcel.
2. **Send in the unit** – well padded and insured, preferably with DHL or UPS, to: AS-Diagnose, Andreas Schmülling, Coesfelder Berg 7, 48653 Coesfeld, Germany.
3. **Diagnosis** – usually 1–2 working days after the parcel arrives.
4. **Quote** – I will contact you by phone or e-mail with the findings and the price.
5. **Your approval** – repairs only start once you have agreed.
6. **Repair & return shipping** – invoice by e-mail, then the unit is sent back to you insured by DHL.

Costs

50 €

Diagnosis fee incl. VAT, plus insured return shipping by DHL (within Germany usually €10, other countries on request). The fee is credited towards the repair.

Further costs only by agreement: you receive a quote – work only starts after your approval.

Please do not pay in advance. You will receive the invoice with our bank details by e-mail after the diagnosis or repair. Payment by bank transfer, alternatively PayPal (plus PayPal fee).

The statutory warranty rights apply.
